Subject: Tribal consultation on AOC delisting

Hi, John and Stephanie,

We're planning to have an internal call with our DNR tribal liaison to discuss how and when to involve the Tribes. However, Steve wants to wait a while until we've had more time to prepare and know exactly what we're asking for and from whom.

While reviewing the EA for the new FERC license for the lower Menominee dams, I discovered that the Lac Vieux Desert Band of Lake Superior Chippewa Indians (<http://www.lvdtribal.com/default.html>) were consulted on NEW Hydro recreation plan. They may want to be consulted in the AOC delisting process. That's the only tribe I know of other than the Menominee Tribe of Wisconsin.

Related to the Menominee Tribe, Guy Reiter was on the cover of my latest Green American magazine in an article about the fight against the Back 40 Mine. Here's a link to the article: <https://www.greenamerica.org/back-forty-mine-it-next-standing-rock>.

Thanks,

Laurel
